Sub - Payment of Municipal grant to the S P K A,
Bangalore City for the year 1945-46

SIR,

I have the honor to state that a sum of Rs 500/-
has been provided in the sanctioned budget for the current
year towards grant to the S P K A, Bangalore City under
"H Miscellaneous Grant to other Institutions" (vide item
No 23 appendix 5 in the budget estimates)

2 Under Rule 7(D) 5(f) Municipal Account Manual
Part II, sanction of Government is necessary for payment
of annual grants exceeding Rs 250/- in each case. According
to this rule, a recommendation was made in this office
letter No A2 C 287/4 dated 24-11-1945 seeking sanction
of Government for payment of grant to certain institutions
during the year 1945-46 and orders of Government have been
received in this regard in G O No L 10465-6/M 10-45-200
dated 8-4-1946. As it was considered that no grant need be
paid to the S P K A as the infirmary had been transferred
to the Veterinary Department, no recommendation was then
made in respect of this institution.

Society has since represented that the pinjrapole section
of the Society is still being maintained by private
charities under the supervision of the S P K A and urged

SOCIETY FOR PROMOTION OF KINDNESS TO ANIMALS.

ANNUAL REPORT FOR 1945 -

In presenting the 9th Annual Report for the year ending 1945 we are glad to state that the Society has done its best to carry out its humanitarian work successfully in spite of adverse conditions

The number of cases detected by the Society Staff for cruelty, overloading, and using unfit animals during the year are given below

Number of cases detected	4232
do warned	1901
do convicted	438
do withdrawn	913 (for
do acquitted	1 want of
do pending	979 proper
	witness,
	accused not
	being found

The Staff continues to be the same, one chief inspector, five deffenders, a peon, a watchman for the Infirmary, and another for Kimbalgud. Owing to increase of pay and dearness allowances the number could not be increased. The Society finance is at low ebb owing to the high cost of feeding charges and increased pay of staff and also our subscriptions and donations were reduced during the year for various reasons

The Staff has done good work during the year in detecting a number of cases where young and useful animals were conveyed for slaughter by meat contractors. Unfortunately some of the offenders could not be prosecuted for want of proper witnesses

cases in which 121 animals meant for slaughter were involved were reported to the police and all the cases were filed before the magistrate. Out of the 11 cases 3 were closed off and the accused were convicted and fined. 21 animals were handed over to the society for being taken care off. The remaining cases are pending. 29 animals died out of this lot owing to starvation and ill-treatment before they were rescued.

We are very grateful to the Police authorities for their kind help in this connection. The Cattle Welfare Society have helped us in this connection with hay, gram, and furd to feed these cattle during the year. Without their help we could not have managed to feed them. We also thank the Veterinary Department for their help when needed. Our thanks are also extended to our Members and sympathizers.

Finance We respectfully offer our grateful thanks to H. H. the Maharaja of Mysore for graciously contributing the annual grant of Rs200/- and to the Govt. of Mysore for their annual grant of Rs1720/- in lieu of taxes. Owing to the non-receipt of any grant from the City Municipality and the Race Club our income has suffered. The audit statement is appended.

Animal Show, An Animal Show was held at which Mr. M. A. Sreenivasan, Minister for Agriculture presided and distributed the prizes. The Show was a great success and a sum of Rs164/- was realized as profit which was handed over by the Sub-Committee to the

Building Fund The Society is very grateful to Lt. Col. Basavaraj Urs, President and members of the Sub-Committee for their efforts in making the show a great success and to all the ladies and gentlemen and firms who have given cash or gifts to be presented at the Show for the exhibits. A list of the same is appended.

Meetings The Executive Committee met four times during the year and important matters were disposed off by circulating the subjects to the members.

The Infirmary roof was blown off during the year by a heavy storm and it is estimated that it will cost about Rs 500/- to repair it. We hope our friends and sympathizers will help us to collect the amount to get the building repaired soon. The Dispensary is to be removed to another building with much inconvenience to the Public. We hope we will be able to get it back as soon as the roof is repaired.

The land at Kumbalgud could not be cultivated owing to the labour scarcity.

The total number of animals maintained in the infirmary at Bangalore during the year under report is as follows:

- 175 bullocks
- 72 ponies
- 17 goats and sheep
- 7 donkeys
- 11 dogs
- 3 cats
- 11 cows

Most of these were remaned for rest and treatment by magistrates and some were homeless, sick which were given shelter until they passed off peacefully.

**SOCIETY FOR PROMOTION OF KINDNESS

ANNUAL REPORT FOR 1944**

1 In presenting the eight Annual Report of the S P K A for the year 1944 we are glad to say that the Society has done its best to carry out during the year its useful work in spite of war conditions

2 The number of cruelty cases especially the over loading of bullock carts was abnormally high and several of the offenders could not be booked as they were employed in essential services We are however glad that the Military and Food Control Officers gave us their support wherever possible for which we are grateful

3 **PROSECUTIONS** Cases filed by the Society are being disposed of by the Bench Magistrates The fines levied for cases of cruelty are inadequate with the result the offences are repeated

Number of cases detected	3 117
do warned	915
do convicted	1 809,
do withdrawn	203
do pending	190

5

4 DOG POUNDS There has been no improvement in Dog Pounds in spite of our efforts on the contrary the conditions have deteriorated

5 STAFF Our staff has become reduced during the year as two members resigned and we could not replace them by suitable men owing to the high scale of pay given in other professions. The dearness allowance given to the employees had to be increased

6 FINANCE The Society's finances were at a low ebb during the year as it had to meet partly the cost of feeding cattle rescued under the Defence of India Rules. Statements relating to this are given in Part II. The usual donation of Rs 200/- graciously given by H H The Maharaja of Mysore was received during the year as also the Government grant of Rs 1 720/- given in lieu of the fines. The Municipality Bangalore City gave a grant of Rs 250/. We are grateful to all of them

7 SPECIAL DONATION In view of the good work turned out by the Society during 1944 the All India Society for the Prevention of Cruelty

to Animals kindly sent us a special donation of Rs 50/- We are grateful and we appreciate the honour

8 **GENERAL** The Honorary Secretaries and the staff of the S P K A with the help of several members of the Jain and Hindu Communities rescued many cattle the slaughter of which is prohibited under the Defence of India Rules Although many of these animals have found homes with charitable minded villagers yet there are a number to be housed and cared for Prominent citizens many of whom belong to the Marwari Jain Community in Bangalore Mysore and Kolar Gold Fields helped us a great deal in providing fodder etc for these animals and we are grateful to all those who helped us in this matter

The Hospital attached to the S P K A Infirmary is being run by the Veterinary Department since February 1944 but the Infirmary is managed by the Society

The Society is in urgent need of funds for the following objects

- 1 Extra Cattle Sheds
- 2 Watchman's Quarters

3 Compound Wall

4 A room to locate the Office of the Society

5 Sheds for rescued cattle in the 10 acres of land granted to the Society on the road to Mysore

9 The Executive Committee did not meet as often as it used to meet owing to the Secretaries being busy otherwise. Important subjects were however disposed of by circulation.

10 The land at Kumbalgode could not be cultivated during the year owing to difficulty of labour etc.

11 We acknowledge with thanks the help and co-operation rendered to the Society by the Police and Veterinary Departments and the members of the Society and others in various ways.

12 VISITORS Rajamantrapravina H B undappa Gowda Minister for Public Health, was pleased to visit the S P K A Infirmary on 3-1-1944. The Director of Agriculture in Mysore the Presidents of the Bangalore City Municipality Messrs V K Govindarajulu and C. N. Narasinga Rao also kindly visited the Infirmary during the year.

13 The Society records with the deepest regret the sudden demise of Mr B Puttiah one of our oldest members who took a keen interest in the welfare of the Society and rendered valuable service to it during his life time His death is a great loss to our Society
